

AP Chemistry  
eDay Assignment #1

Go to the following website and do some of the practice quizzes. This website is also linked on the class website – [loganchemistry.weebly.com](http://loganchemistry.weebly.com).

<http://www.adriandingleschemistrypages.com/apquiz.html>

Assignment:

1. Copy and paste 3 of the quizzes that you choose into a word document. You must choose quizzes from 3 different sections or topics.
2. Highlight, Bold, or otherwise indicate what your answer was.
3. If you get an answer wrong (it will tell you), write a brief statement underneath that statement stating what the correct answer is and how to get that to be the correct answer.
4. You will then e-mail that document to me for your credit: [athompson@lhsd.k12.oh.us](mailto:athompson@lhsd.k12.oh.us) .
